Dear Mr. Miller:

At the suggestion of Ronnie Carr you were nice enough to send us COINage Magazine. I am very grateful.

Would you have a copy of the first issue which you could send for our library, and do you wish to put our library on your mailing list? We keep a permanent file of virtually all American coin publications and would appreciate having yours.

Thank you for your kindness.

Gentlemen:

My name is mentioned in such good company on p.27 of your March 1968 issue of COINage that I wish to thank you and Col. Dodson. If any of your readers complain about the inclusion, please tell them they are more than justified. At least I will now become a steady reader of your magazine.

You already know that the make up and printing of your publication is outstanding and we feel that the articles have a broad appeal to the human side of numismatics.

We have a large library available for public use without charge. We wonder if you want to give us a set of all back issues as we note that you have them on hand.

Information in our research files is, of course, available to you at any time as it is for any educational numismatic purpose.

Sincerely yours,

Dear Mr. Beaumont:

Thank you for your nice letter of September 10, 1968. In answer to it, we can advise you that we did not receive any back issues from you in June, 1968, when you indicated you were sending such a group. We would be very appreciative if you would send us all issues prior to January, 1968.

We did receive the issues from January through July, 1968 but then the August and September numbers did not arrive.

We obtained the September number, nevertheless, and would like very much to have the August, 1968 number.

Your helpfulness will be very much appreciated.

Dear Mr. Newman,

Sorry you have had to wait so long for your back issues! Perhaps we goofed and did not send them, or they got lost in the mail.

At any rate, we are sending you the issues you requested today. We are sending issues, Winter 1965 through December 1967, plus the August 1968 issue. The only issue we cannot send is No. 29, November 1967. We are completely out!

Hope everything arrives this time.

Dear Mr. Rony:

We read your article on the Fugio Cent in the February, 1969 COINAGE and suggest that if you would like the solution to the problem which you indicated is still a numismatic enigma you might read "Sources of Emblems and Mottoes - Continental Currency and the Fugio Cent" in the December, 1966 Numismatist.

It is entirely possible that you may wish to add a supplement to your article based on this material. At least you have the author's permission so long as you quote the source.
